Graduate Valuer of Plant and Machinery

- Company Name:** PP&E Valuations Pty Ltd
- Location:** Melbourne CBD
- Job Type:** Full-Time (part-time if studying)
- Salary:** \$60,000p.a.
- Application Deadline:** COB Friday 29th September 2023

Are you a recent or soon-to-be graduate with a passion for numbers, analytical thinking, and a keen interest in machinery and how things are made? If so, we have an exciting opportunity for you! Join PP&E Valuations as a Graduate Valuer of Plant and Machinery and embark on a rewarding career in the world of asset valuation.

About Us:

PP&E Valuations is a reputable and well-established valuation firm specializing in providing accurate and insightful valuations for a wide range of assets, including plant and machinery used in various industries. Our team of experienced professionals is committed to delivering high-quality valuation services that help businesses make informed financial decisions.

Position Overview:

As a Graduate Valuer of Plant and Machinery, you will play a vital role in our valuation team by contributing to the assessment of machinery and equipment used in industrial, commercial, and agricultural settings. This role offers an excellent opportunity for career growth, skill development, and exposure to diverse industries.

Key Responsibilities:

- Utilise industry-standard valuation methodologies to assess the value of plant and machinery assets.
- Collect and analyse data related to equipment specifications, market trends, and other factors influencing valuation outcomes.
- Conduct on-site inspections to evaluate the physical condition and maintenance history of assets.
- Prepare comprehensive valuation reports that adhere to industry standards and regulations.
- Communicate effectively with clients, colleagues, and stakeholders to convey valuation findings and explain methodologies.
- Collaborate with experienced valuers to enhance your knowledge and skills in asset valuation.

Qualifications:

- Bachelor's degree in a relevant field (e.g., Property, Engineering, Business, Economics, Finance).
- Intermediate to advanced Microsoft Office skills, particularly in Excel
- Strong analytical skills and attention to detail.
- Excellent communication skills, both written and verbal.
- Enthusiasm for learning and a proactive attitude.
- Ability to manage multiple tasks and meet deadlines.
- Knowledge of valuation theory and standards is a plus.

Why Join PP&E Valuations?

- Gain practical experience in asset valuation from industry experts. Work in a collaborative and supportive team environment.
- Opportunity to develop valuable skills in data analysis, research, and client communication.
- Competitive compensation package and opportunities for career advancement.
- Access to training programs and resources to further enhance your professional development.

How to Apply

If you are excited about joining a dynamic team and making a significant contribution to the field of asset valuation, we encourage you to apply!

To be considered for this position, please submit your resume, cover letter, and any relevant certifications to info@ppevaluations.com.au by COB Friday 29th September 2023.

You must be an Australian citizen or permanent resident or a New Zealand citizen to be considered for this role. Please include confirmation of this in your resume or cover letter.

PP&E Valuations is an equal opportunity employer. We thank all applicants for their interest; however, only those selected for an interview will be contacted.
